Coronado, California: The Perfect Destination for the Perfect Day

Looking to escape to the serenity of ocean waves at a fabulous island destination? Here we are! Many brides and grooms travel to Coronado Island with its top rated beaches, swaying palm trees, close proximity to San Diego, and the finest hotels and services to make your wedding the ultimate experience. Pick your dreamy spot along our beach for your ceremony, along the Ferry Landing bay front with the San Diego skyline backdrop at sunset or a wedding cruise. Our coastal city has it all — restaurants, florists, jewelers, stationers and other retailers who can take the worry out of your planning. You will find a directory of these businesses and more in our comprehensive wedding guide. You'll also find out how to apply for wedding licenses; listings of the city's parks, beaches, churches and party facilities, and a month-by-month chart of Coronado's weather so you can pick the perfect day. For your copy of the wedding guide or more information, please contact the Coronado Chamber of Commerce, 875 Orange Avenue, Suite 102, Coronado, CA 92118. (619) 435-9260. www.coronadochamber.com.
